CONQUER YOUR DREAMS

Newman and Dodge City Community College are excited to offer scholarships enabling any interested students to receive their bachelor's degrees **HERE**. Together, we are committed to ensuring that neither location or funding, holds students back from achieving their dreams and completing their bachelor's degree.

ALL STUDENTS

Any student who graduates with an associate degree from DC3 will automatically receive a \$20,000 scholarship. Additional scholarships are need based, meaning the greater the student's needs, the greater the financial support.

MATCHING FUNDS

Newman will match dollar for dollar any federal Pell or state grants up to \$7,500. Pell grants are done through FAFSA, so be sure to complete your FAFSA forms.

BOTTOM LINE

This means that students can get their bachelor's degree for as little as \$750 per year. At most, tuition would cost \$15,000 per year, if students do not meet the requirements for the federal Pell Grant or state grants.
